

Strategic Innovation, Designed to Execute

Corporate transformation & startup-corporate collaboration
Prepared for [Client] · June 2026 · Confidential

viveka.

Program Results

This starter shows every core component wired to the design tokens. Edit values in `tokens/tokens.css` and everything here updates — that is the whole point of the system.

Three Service Pillars

- Startup–Corporate Collaboration
- Human Capital & Leadership Transformation
- Access to Innovation & Technology

Key finding. An end-to-end model — from strategy design through execution — consistently outperforms advisory-only engagements on measured PoC conversion.

Selected Programs

Program	Applications	PoC Rate
Corporate Accelerator A	320	91%
Public Innovation B	540	78%
Leadership Cohort C	120	—
